Yes! I am agreeing that my congregation/ministry will pray Psalm 122:6 on the 1st Sunday of every October to observe this important and Biblical initiative. I will also get the word out regarding the Day of Prayer for the Peace of Jerusalem (DPPJ) once a year through email lists, websites, newsletters, etc.

In addition, here is my personal statement to use to endorse the concept of the need for people to respond to the Biblical mandate (Ps 122:6) to Pray for the Peace of Jerusalem:

" _____

(I give permission for all or part of this statement to be provided to the media for press releases and any other use. I understand that it may be adapted for specific uses as needed.)
