Explanation of how to use the Scripture/Prayer Box

Each morning when you wake up read the scripture out loud. Pray for the peace of Jerusalem. Then, look for the stick for that day, and turn it upside down, so that the day does not show anymore. When you finish that week, all of sticks will show the blank side up. Turn all of your sticks over and you are ready to start the next week. This will help you remember to pray for the peace of Jerusalem everyday!
